

Hi LCR Team,

Good day,

I'm **Lito Jancorda Libradilla** resident living at **014 Villabuena Kinasang-an Pardo Cebu City 6000**. For this letter intention, I would like to authorized my nephew **Fat, Artemio J R, Libradilla** to processed my complains on my ***Birth Certificate (PSA)***. As we've seen that the details on it are ***blur*** and this cannot be accepted for **Passport Application**. I would like to request for a **certification** for a **proof of supporting documents** or **any ways** to make it clear.

Please advice if there are any other concerns.

Best Regards,

**Lito Jancorda Libradilla**
