IV. WE'RE ON OUR WAY

Quiz no. 1.1 - TRUE OR FALSE

Direction: Identify whether the statement is true or false. Write “True” if it’s true and write “False” if it’s false.

True 1. A subject is hard to investigate if there are no available reading materials about it and if such materials are not up to date.

False 2. Titles beginning with indefinite adjectives such as several, many, some, etc., are not vague and it increases the readers’ interests and curiosity.

True 3. Topics that are too broad will prevent you from giving an in-depth analysis of the subject matter of the paper, therefore it should not be avoided.

True 4. There is actually no such thing as a single best topic. It is advisable to jot down three topics of your choice, or even five, instead of selecting one single topic.

True 5. The objective should be very clear in the mind of the researcher as this will lead to the clarity of the design and proper response from the respondents.
